## RMB mandated lead arranger for unique 3-instrument bond issuance for African Bank

Rand Merchant Bank is proud to have been selected by African Bank as their arranger for the recent R1.75-billion multi-instrument bond issuance. For the first time, three types of bonds – fixed, floating and inflation-linked, were placed in a single auction for African Bank. The combined power of African Bank's strength in the capital markets and RMB's extensive investor reach was demonstrated in the issuance being significantly oversubscribed.
