RMB structures, arranges and co-ordinates multi-currency 5-year unsecured loan deals for Puma Energy, the global fuel company.

Rand Merchant Bank was mandated lead arranger and co-ordinator for a multiple in-country, local currency solution for Puma Energy. It involved three different facilities – a Namibian Dollar facility to Puma Energy Namibia, a Botswana Pula facility to Puma Energy Botswana and a Zambian Kwacha facility to Puma Energy Zambia. All three facilities were structured, arranged and co-ordinated by RMB out of South Africa. This deal demonstrates our capabilities of executing cross border transactions in various jurisdictions in sub-Saharan Africa. **For more information, contact Armond Boshoff on +27 11 282-4971, email armond.boshoff@rmb.co.za or Udo Lucht on +27 11 282-8207, email udo.lucht@rmb.co.za**
