## INNOVATIVE NEW MIX GIVES ASSET MANAGEMENT MOMENTUM

**RMB Morgan Stanley serves as transition manager in implementing Momentum Asset Management's new best investment view.**

RMB Morgan Stanley successfully facilitated the implementation of the new best investment view for Momentum Asset Management - the combined offering of the merged RMB Asset Management and Metropolitan Asset Managers. The solution to this large and complex transaction, with multiple underlying client portfolios, reflects the innovative thinking of both RMB Morgan Stanley and Momentum Asset Management, further endorsing the successful track record of RMB Morgan Stanley in transition trades.
