**RMB IS PROUD TO BE THE LEAD ARRANGER FOR THE CITY OF CAPE TOWN'S ZAR1-BN GREEN BOND.**

The ongoing drought in the Western Cape landed the City of Cape Town in a situation that required them to devise a plan: a climate-conscious bond. Turning to our Solutionist Thinkers for help, RMB was appointed as the lead arranger in our country's first certified Green Bond accredited with the Climate Bond Initiative. This ZAR1-bn deal was raised at an exceptionally competitive rate, with the proceeds used to help alleviate climate challenges by upgrading the Municipality's water infrastructure.
