

# MANY MINDS MAKE LIGHT WORK

THINK  
INFRASTRUCTURE  
FINANCE.  
THINK RMB.

**RMB's thinking adds 450MW to Nigeria's future power supply.**

As joint mandated lead arranger, lender and hedging bank to the Azura-Edo power plant, RMB Nigeria further cements its position as a key financier of the West African power sector. Our involvement in the transaction included the structuring and arranging of long-term financing and risk management solutions. This ground-breaking project showcases RMB Nigeria's ability to deliver in any local environment.
