

MEDICLINIC PUTS ITS TRUST IN RMB'S EXPERTISE

Traditional values. Innovative ideas.

RMB acts as adviser, mandated lead arranger and funder in a multi-disciplinary deal involving Mediclinic's R28-billion financial restructuring.

Rand Merchant Bank provided a comprehensive range of multi-disciplinary solutions in order to optimise Mediclinic's capital structure and accelerate its growth. The R28-billion restructuring, which involved complex transactions across Switzerland, South Africa and Dubai, is one of the largest of its kind in South African history.
