

## 'NEW LIBERTY' FOR LIBERIA

THINK  
AFRICA.  
THINK RMB.

RMB provided senior and subordinated debt funding to the value of US\$56-million, as well as gold hedging solutions, to Aureus Mining for Liberia's first-ever commercial gold mine - New Liberty Gold Mine.

Rand Merchant Bank provided a comprehensive solution for this ECIC-backed project that will create Liberia's first commercial gold mine and add a major boost to the West African economy. Demonstrating our appetite and capabilities in cross-border African resource deals, we are proud to have been the mandated lead arranger of this historic deal worth US\$100-million.
