Traditional values. Innovative ideas.

RMB acted as joint bookrunner, adviser and sponsor to JD Group in its debut, R1-billion 5-year convertible bond issue. Rand Merchant Bank, in its third convertible bond issue to date, created an innovative hybrid solution raising R1-billion for JD Group in a single day. Due to its complex and multifaceted nature, this deal involved the co-operation of several specialist areas within the bank, illustrating RMB's position as a leading provider of innovative solutions – and the only bank to have arranged all the JSE-listed ZAR convertible bonds.
