Traditional values. Innovative ideas.

RMB acts as lead debt arranger and co-funder to a lessor acquiring an aircraft currently leased to Ethiopian Airlines

Rand Merchant Bank's Asset-based Finance team has successfully arranged and co-funded the acquisition by a leasing company of an aircraft, currently on lease to Ethiopian Airlines. The deal plays a major role in RMB's Africa strategy as Ethiopian Airlines has become one of the African continent's leading carriers and has turned Addis Ababa into a major international hub.
