Rand Merchant Bank finances R2.3-billion Jasper Solar PV Project

RMB is proud to have acted as sole mandated lead arranger and financier for the 96MW Jasper Solar PV project, located in the Northern Cape. The project is one of the largest of its kind globally, and is being developed under the second round of the SA Department of Energy's Renewable Energy Programme. RMB's innovative funding solutions include long-term inflation-linked debt, preference shares, working capital and hedging products.
