

Traditional values. Innovative ideas.

RMB's Structured Asset Finance team acts as sole arranger, structurer and bookrunner for SA Express' operating lease of seven additional Bombardier Q400 aircraft.

In a deal that adds seven fuel-efficient, twin-engine turboprop aircraft to SA Express' Fleet, Rand Merchant Bank structured an operating lease that involved financial innovation and technical reconfiguration. The transaction demonstrates RMB's experience in aviation finance and positions SA Express to further expand its routes across the African skies.
