

THINKING. DELIVERED.

THINK
ADVISORY.
THINK RMB.

RMB advised all shareholders on the sale of Africa's largest privately owned specialist logistics and distribution company, RTT, to a consortium of private equity investors.

Rand Merchant Bank negotiated this complex, multi-party deal for the benefit of all parties. The transaction enabled an attractive exit for Actis, RMB, Old Mutual and other shareholders, created tangible wealth in the hands of previously disadvantaged employees and delivered the asset to a consortium of private equity investors, including Ethos Private Equity and DPI. RMB is proud to have advised our private equity clients throughout the cycle of their investment.
